

Eugene Choi, echo 1

Bored in lecture

You're bored in 112 lecture and want something to do.

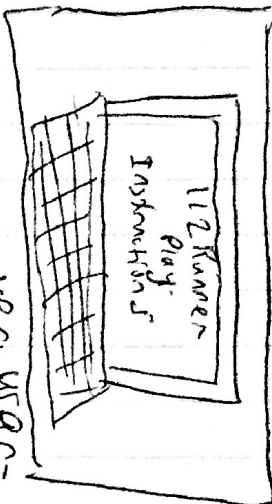

Gameplay continued

The game reads the future and you decide what to do.

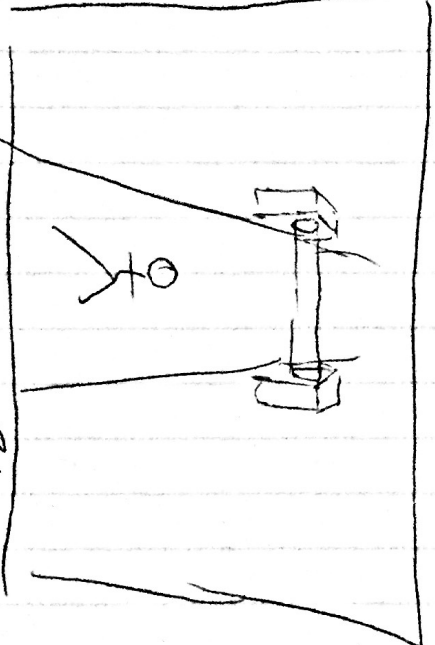

Storyboard

Opening the game

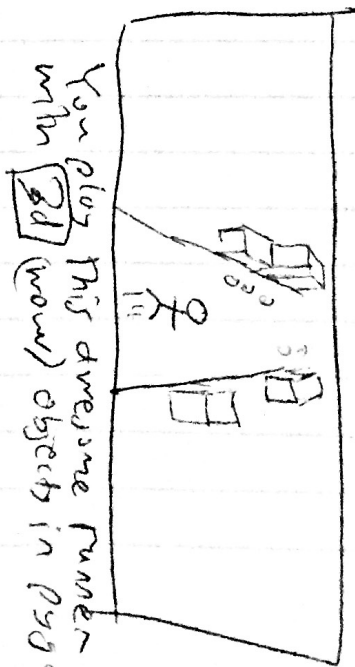

You open a very usable friendly interface to play 112 Runner

Gameplay continued

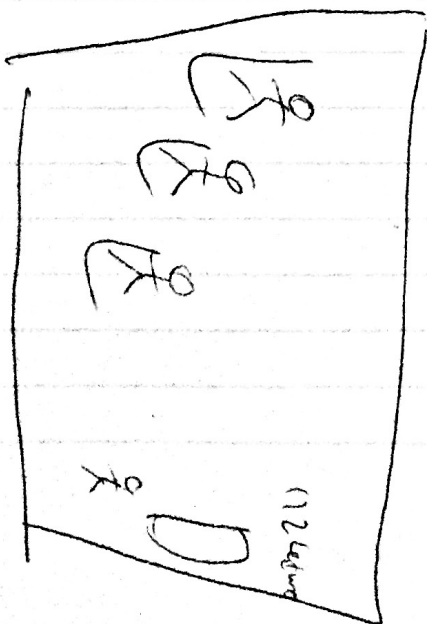

The obstacles are 3d rendered as well.

Gameplay

You play this awesome runner with 3d (wow) objects in game.

Done

Yes - you go through lecture without falling asleep.
